PROFESSIONAL SUMMARY

Design leader with 12+ years of experience delivering digital products across fintech, healthcare, and enterprise SaaS. Expert at scaling design systems, collaborating with cross-functional teams, and turning product strategy into data-driven customer experiences.

SKILLS

Design Systems, Product Strategy, UX Research, Accessibility, Figma, Prototyping, Stakeholder Alignment, Agile Collaboration, Service Design, Design Operations, Mentoring, Cross-functional Leadership

PROFESSIONAL EXPERIENCE

Lead Product Design Manager – FinTech Edge

2021-01 – Present

- Oversee a team of 14 designers and researchers, delivering omnichannel product experiences for retail banking and wealth management. Introduced a modular design system, improved iteration speed by 45%, and aligned product roadmaps across 5 business units. Led stakeholder workshops, coached senior designers, and defined UX metrics used across the organisation.

Senior UX Designer – Healthwave Labs

2018-02 – 2021-01

- Designed patient-facing mobile and web applications for chronic care management. Partnered with product, engineering, and clinical teams to deliver compliant interfaces that increased active user retention by 28%. Created research plans, personas, and accessibility guidelines for inclusive care journeys.

UX Designer – Studio Interactive

2014-06 – 2018-01

- Delivered digital product experiences for high-growth startups and global brands. Owned information architecture, interaction design, prototyping, usability testing, and design system governance. Collaborated with clients to translate business goals into clear product concepts and visual strategy.

Product Design Consultant – Independent

2012-08 – 2014-05

- Supported early-stage companies with product discovery, brand systems, and interface audits. Helped launch MVPs, define product direction, and establish usable component patterns for internal teams.

PROJECTS

Global Launch Experience

Led the end-to-end design work for a global product launch, coordinating multi-market localization, legal reviews, and cross-team validation. Resulted in a 24% increase in conversion for international users.

Technologies: Figma, Miro, UserTesting

Design System Transformation

Developed a scalable component library and design tokens system used by product, engineering, and marketing teams. Reduced duplicate work and design inconsistencies across seven products.

Technologies: Storybook, CSS, React

Clinical Care Journey Redesign

Redesigned core onboarding and care-plan workflows for a healthcare product used by patients, caregivers, and clinical teams across multiple regions.

Technologies: Figma, FigJam, Maze

EDUCATION
